EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Heidi A Boehlefeld on 12/9/04.

The application has been amended as follows:

a) cancel claims 34-44.

REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

The claims are allowable over the prior art for at least the reason that the prior art fails to reasonably teach or suggest a transparent layer having a microstructured first surface and a microstructured second surface, wherein the microstructures of the first surface are embedded in the light absorbing layer and have an exposed surface providing paths for transmitting light through the light absorbing layer and forming interstitial regions between the microstructures substantially filled with the light absorbing material, and wherein the microstructures of the second surface are optically aligned with the microstructures of the first surface to control light transmitted through the path, as claimed in claim 1, and embedding the microstructures of the first surface

Art Unit: 2872

of the transparent film into the light absorbing material to a depth sufficient between the microstructures are substantially filled with light absorbing material, as claimed in claim 24 as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
